

2019 Corporate Partnership

JCI La Crosse Creates Positive Change in Our Community

JCI Global Community

JCI La Crosse is part of a worldwide network of young active citizens ages 21-40 who share the belief that in order to create positive change, we must take collective action to improve ourselves and the world around us. Members demonstrated their social responsibility and improve themselves through participation, leadership and action.

JCI Active Citizens

JCI La Crosse members are committed to becoming better leaders and building better societies throughout the surrounding community and State. With over 40 chapters across Wisconsin, JCI forms a vibrant community of nearly 1500 active members. Locally, the chapter focuses on implementing positive change by determining community needs and providing solutions through projects, programs, and action.

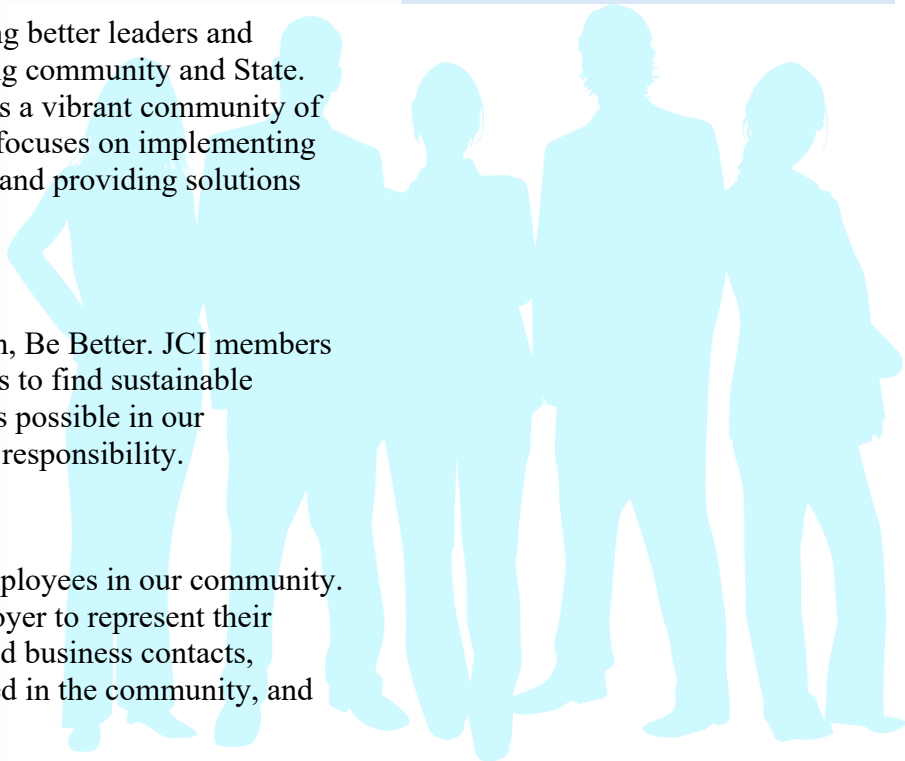

Sustainable Positive Change

Members constantly seek ways to live JCI's slogan, Be Better. JCI members think critically about existing community problems to find sustainable solutions. We not only believe that improvement is possible in our communities and in ourselves, we believe it is our responsibility.

Corporate Partners

Become a JCI La Crosse partner and showcase employees in our community. Individuals are specifically selected by their employer to represent their company and pursue leadership opportunities, build business contacts, experience personal development, become involved in the community, and take part in career advancement training.

Be Better.™

Be the Positive Change in Our Community

Established in 1920, JCI (formerly the Jaycees) gives young professionals between the ages of 21-40 the tools they need to build bridges of success for themselves and their employers in the areas of business development, management skills, individual training, and community service.
